Milestone 3 – Progress Report

1 User Stories Implemented

User stories implemented so far. Refer to the user stories in Milestone 2. Mention any new user stories implemented.

2 Who Paired With Whom

Placeholder

3 Who Implemented What

Which part is implemented by which pair.

Additionally, document in the source code: `/* Implemented by: John and Bob */`

4 Design Changes / Unit Test Changes

Have any design changes or unit test changes been made from earlier milestones?

5 Whatever Else That's Important

Placeholder

6 Print Screens of GitHub Wiki

A print screen (or several, if needed) of the history for the wiki page updates. Use the wiki edit history which includes the author of the change and the time of the change. **THIS MUST BE INCLUDED**

7 Git Log

placeholder
